

8 Ways to Win Heart of Chinese Girlfriend

Posted by [Lipi.B.](#) on [January 22, 2015](#) in [International Dating](#)

Dealing with your girlfriend is quite difficult and you always deal with her with care. However, if you are dealing with the Chinese women, then you must take care of what she likes and dislike for winning the heart on the first date. If you are dating a [Chinese girlfriend](#), you have to make her happy and excited to get closer to her.

[Here are a few things to do to win the heart of your Chinese girlfriend:](#)

1. Send her a strawberry flavor cake on her birthday making her day very special with your efforts. Personalizing the cake with the name of your girlfriend as this is another way to delight her. Try giving surprise gifts and it will also help you to make her fall for you.
2. Communicate through your friend and convey a message that you love her so much and want to make her your life partner.
3. If you could sing a song for her, then you should take this opportunity.
4. Send her good morning message and say good night in the late night, as all such things will convey true feelings for her. Keep yourself engaged with her throughout the day and show her that you are crazy for her.
5. Use of flashy words plays an important role in the relationship. So, you can convey your feelings through the messages when she is alone. Like you can tell her "my life was incomplete without you" or "thank you for making your world complete". These words will surely bring a smile on her face.
6. Send her special gifts to make you memorable in her mind. Take her to the date and appraise her personality and mention good things about her. You can get a picture with her to express that you always want to stay with her for the rest of the life.
7. Never quarrel with her and always care for her in every moment of the life. Always support her in the difficult moments and do everything you can do for her.
8. **Appreciate her feelings** and what she thinks about her life. Never ignore her family as they are an important part of the family and plays an important role in the selection of the groom.

All these things must be kept in mind while dating a Chinese girlfriend. All these tips will make your relationship very strong and long lasted. Follow all the tips for the happy dating with Chinese girls.
