

Dating Site Reviews: AsianDate.com

Introduction to AsianDate.com

If you wanted to meet women from China or Japan, but didn't live nearby an Asian community, where would you go? The natural answer these days is: online. But where would you start? How do you know which site to choose? We've put together a review for AsianDate.com to help you decide whether this site could be the one you're looking for.

AsianDate.com is an [international dating website](#) that's a sister site of the world-famous AnastasiaDate.com. The aim of this website is to bring together people from different parts of the world, men from countries like England, Australia and USA, and women from China, the Philippines, Thailand and more.

1. AsianDate Sign-up Process

Registering with the portal is very easy and straightforward and you don't need to enter too many details to get started. You either need your email address or you can sign up with your Facebook account if you prefer to keep things simple.

Once the registration process is complete, you can then start setting up your dating profile. You can enter information about your hobbies, likes and dislikes, religious and political views, etc. You can also add multiple photos of yourself to give the ladies an idea of what you look like.

If you have specific parameters you're looking for in a woman, you can conduct a strict search based on features like age, location, height, weight, a woman's language skills and more.

2. Features and Dating Tools

Here's a list of services and dating tools AsianDate offers to all its registered members:

- **CallMe** for phone calls in AsianDate's secure calling system
- **LiveChat** for instant messages
- **CamShare** for high-quality video chats
- **Flowers&Presents** allows members to send gifts and flowers to their special ladies residing in Asia
- **Virtual gifts** for sending virtual gifts
- **DateMe** – Use this service to inform the company that you want to meet the lady you've been talking to in person. AsianDate will set up the meeting for you and your lovely lady in a safe and stress-free environment.
- **Romance Tours** – allows members to meet women during pre-organized tours
- **Member subscriptions** – set your preferences like age, height and nationality and you will receive profiles of ladies that match your criteria.

AsianDate covers pretty much everything you will need for a successful online dating experience. Besides the above-mentioned tools and features, you can also play virtual games with the woman you're talking to and also benefit from free services of translators should you need assistance.

3. AsianDate Scam Policy and Overview of Customer Support

One of the best features of this website is the strong [anti-scam policy](#) the company has developed to protect members from dishonest individuals and credit card frauds. AsianDate's staff monitors all activity on the site and takes action when they detect something that doesn't adhere to their core values. As an example, sending money to a lady is not allowed and the person caught doing this will be automatically banned from the site. It's good to know that this website's customer service and anti-scam policies are centered on the members and not on dishonest business practices.

Summary of AsianDate Review

Naturally, no website can be perfect, but we can honestly admit that AsianDate.com, as well as other websites from the Anastasia International family, are the best in the industry because of the ease of registration, their dedication to customer satisfaction and focus on member safety.
